

DISCLAIMER:

The purpose of this site is to provide the Local Educational Agencies (LEA) with vetted piggyback bids. It's the LEA's responsibility to follow the piggyback bid checklist to ensure that all required documentation is present and accounted for.

Our office will make every effort possible to ensure that piggyback bids on this site are valid and ready for use, but the responsibility of making sure the expiration date hasn't passed lies with the LEA using the piggyback bid.
